Your packaging is a walking billboard. Make it undeniably yours.

You chose the beans, the butter, the music, the sign above the door.
The packaging leaving your counter should belong to that same place.

Why Rolling Tiger

Built for cafés and bakeries of every size, from one independent shop to regional chains with up to 50 locations. Every customer deserves attentive service, care in the details, and packaging they're proud to put on the counter.

Our mission is to make the businesses that give neighborhoods their character more recognizable. Your packaging should reflect the care you put into what you sell.

One partner for design, production, and delivery.

We bring your identity to cups, bags, boxes, wraps, and more, with coordinated artwork, embossing, and gold hot stamping. Start with one product and expand when it makes sense.

We handle the packaging details so you can focus on your business.

Six checks behind the finished product.

Our order review covers the checks applicable to your products:

- 01 Artwork version, spelling, logo placement, and orientation.
- 02 Dimensions, capacity, and materials against the agreed specification.
- 03 Print color and finish against the approved reference.
- 04 Lid fit and leakage for the intended use.
- 05 Box assembly, closure, and handle performance.
- 06 Carton quantities, labeling, and packing condition.

From your brand to your doorstep.

Brief → Design → Sample → Approval → Production → Delivery

- 01

2 days to quote. 2 days to initial artwork.

Your quote follows within 2 days of complete specifications and quantities. Initial artwork follows within 2 days of receiving your usable brand assets and agreed brief. Your quote sets out products, finishes, inclusions, and timing.
- 02

See the sample. Approve the specification.

Review physical sample options, then approve the final artwork and specifications in writing before production. Sample costs and timing are confirmed in your quote.
- 03

Production updates every 2 weeks.

We coordinate production against your approved specifications. Every 2 weeks while your order is in production, we send an update on progress and the next milestone.
- 04

Issue acknowledgment within 12 hours.

We coordinate freight, customs, and delivery to the agreed address. If an issue arises, we acknowledge it within 12 hours, investigate, and confirm next steps. The 12-hour commitment covers acknowledgment, not final resolution.

Quantities & timing

Catalog prices use 10,000 units per size and product. Cup orders of 5,000 may be available at a higher unit price. Other minimums vary.

Allow approximately 9 weeks for custom cups after final approval. Timing for other products and combined orders is confirmed individually.

Clear pricing

Prices include taxes and delivery. No hidden fees. Matching cup lids are included; bowl and tray lids are included where stated.

USD unit prices are indicative. Your final quote confirms the size, construction, printing, finish, quantity, and delivery address before you order.

Your packaging is a walking billboard.
